Bible Ministries

If you would like a Bible placed in a fire facility please send the following information to

Fellowship of Christian Firefighters Int.

P.O. Box 901

Ft. Collins, CO. 80522-0901

A ministry of the FCFI is to place Bibles in fire service facilities around the world. These Bibles are placed as a faith ministry. The money to purchase the Bibles comes from people like yourself: people who desire to see this ministry continue. A Bible for personal use may be obtained by sending a donation of \$25.00 to the Bible ministry with a request for a gift Bible. This New International Version Bible has a special section of FCF information. The FCF logo is embossed on the cover. Your gift is tax deductible.

Bibles for placement in the fire stations and fire service facilities are provided at no charge upon the written authorization of the Department Chief or equivalent.
